WORK EXPERIENCE

Production Manager, Designer Signarama Monroeville, PA

June 2012 - Present

Grew a startup company from inception to a successful architectural signage company; creating unique signs enabling clients to stand out from their competition. Responsible for bidding, design, fabrication and installation of architectural, dimensional, vehicle and store front signage.

Production Manager, Designer Ameraquick, North Huntingdon, PA

May 2007 - June 2012

Design, production and installation; also responsible for pricing, bidding and ordering all materials needed.

Small Business Owner Sunrise Travel

July 1997 - April 2007

Grew my own business from inception to a successful travel agency generating over \$250,000 in annual sales; worked with individuals, families and businesses to secure travel arrangements for vacations, destination weddings and business conventions.

Designer, Fabricator, Installer Forum Engraving Denver, CO

January 1996 - May 1997

General design, fabrication and installation of Architectural Signage.

Project Manager, Designer Exponents Denver, Inc. Denver, CO

July 1994 - January 1996

Project Manager in the Modular Exhibit Department; responsible for designing custom modular exhibits, re-configurations, assembly drawings and coordinating installs and dismantles for clients at trade shows around the country.

Design, Production, Installation SignsNow! Denver, CO

April 1993 - July 1994

Design and production for two locations in Denver, CO.
