

Messer Pisau Lama Lame Н О Ж Нóż SUMMA  
9TL89-67033 391-332 36° Drag Knife Blade

[Summa](#) 36° drag knife blades for cutting basic media and vinyl materials. Fits most Summa vinyl cutters and plotters.

Crafted from Tungsten Carbide, our genuine Summa replacement drag knife blades hold a sharp edge between 10 and 50 X longer than cheaper steel blades.

Compatible blade holder: [Summa](#) Standard Drag Knife Blade Holder (part number: 9TL89-67033 (previously 391-332))

\*ATTENTION - Using drag blades with a Summa T Series cutter requires the Summa T Series Drag Blade Holder (part number: 395-323). The cutter must also be placed into Drag Mode.

---
