

Flat surface vinyl wrappable Hub Caps that stay in place even when the vehicle's wheels are in motion. Get the most marketing and visual attention you can by adding these "Wrap Caps" to your vehicle wrap design. People that see them remember them and talk about them to their friends and clients.

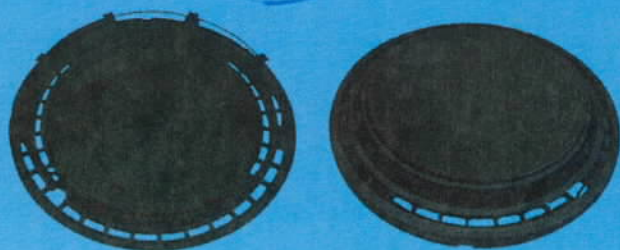

ABS-Line Installed

- Allows you even more creativity and design variety than a vehicle wrap does by itself.
- Fits most factory stock and custom wheels, rated to 100 MPH
- Available in an economical ABS line and a high-end Alloy line in various sizes to fit most cars.
- All sets come with 4 Wrap Caps (Alloy-line includes all necessary mounting brackets, bolts etc.)
