

Zund R208-A Router Bits

Zund ACM Milling & Router Bits R208-A(5212254)

Item no.	5212254
----------	---------

Properties	With stop ring (for use with ARC)
------------	-----------------------------------

Recommended Materials	Aluminium composite
-----------------------	---------------------

Routing Diameter	3
------------------	---

Diameter of Shank	6 mm
--------------------------	------

Routing Depth mm.	8
--------------------------	---

Cutting Edges	1
----------------------	---

Max Rotation Speed	50000
---------------------------	-------
